

EFFORTS PROVE OF VAST BENEFIT

REDUCTION OF HAY RATES IS SECURED BY RAILWAY COMMISSION.

The rates on hay from Minder, Nevada, to Goldfield, Nevada, have been reduced from \$13.95 per ton to \$10.50 a ton, or a reduction of \$3.45 a ton.

The reductions were made by the roads as follows:

Virginia & Truckee Railway, Minden to Mound House, from \$2.00 a ton, to \$.50, or a reduction of 50 cents a ton.

Nevada & California Railway, Mound House to Mina, from \$4.95 a ton to \$4.00, or a reduction of 95 cents a ton.

Tonopah & Goldfield Railroad, Mina to Goldfield, from \$7.00 per ton to \$5.00, or a reduction of \$2.00 a ton.

A reduction is also made from all points on the Nevada & California Railway in Nevada on hay to Goldfield, the reduction ranging from \$2 per ton to \$2.95 a ton.

Upon complaint of the Carson Valley and Mason Valley people, filed February 4, 1906, and by their representation at a meeting of the Commission held some days later, sufficient evidence was shown to make it clear that a reduction on this commodity was necessary and proper. Since that time the railroads concerned have been urged to make reasonable reductions, and the above statement of adjustment is the result.

DICKERSON IS NOW RAWHIDE BOOSTER

PREDICTS CAMP WILL BECOME ONE OF GREATEST IN STATE.

RAWHIDE, July 2.—Governor D. S. Dickerson will remain here the better part of tomorrow. His visit at this time has no further significance than to make a more thorough investigation of the conditions obtaining here and to meet and know the people better. He has been in Rawhide before and is much impressed with the development of properties that has taken place since his visit some months ago. He predicts Rawhide is going to become one of the greatest camps in the State.

With regard to the removal of the State Police from Rawhide, which was effected yesterday, Governor Dickerson said they were sent to Carson for the reason that there was no further need of their services here.

"I have been through the counties where the police have been stationed," said the Governor, "and I have never seen more peaceful communities. The local authorities are not taxed in the preservation of order beyond their capacity in the slightest way, and there is no reason why the State Police should be there.

"There will be enough of the police reserve at Carson to form a nucleus of a trained, active force to be called upon in the case of an emergency, and those who will remain in the ranks of active men will be sufficient to cope with any emergency which may arise, and the expense of maintenance will be reduced to a minimum. Upon the requisition of the authorities of any county, the police will be sent to them.

"That the authorities will ask for police in case of necessity has been demonstrated by those of Humboldt County, where the police aided in running down a murderous cattle rustler, and for which they were accorded much praise. The State Police are a good institution and should be maintained, but I believe, and all ways have believed, that a few amendments to the law creating the police would make the law more effective."

WOMAN SHOT FOR SIGNALING.

KIEV, July 2.—Mlle Shertsova, who was confined in the political prison here, was today shot and killed by one of the prison sentinels, who caught her signaling with a mirror with some of her captives. She was standing at a window at the time and the first shot killed her.

"BRIGHT EYES" LOOMS UP AGAIN

NEW YORK, July 2.—The verdict by which Edward Vanderbilt, a retired and well-to-do business man of Brooklyn, was declared incompetent to manage his own affairs, was set aside by the Appellate Division today and a new trial was ordered on the ground that the jury had accepted illegal fees.

Vanderbilt several months ago, after he had married Mary S. Pepper, a spiritualistic medium, according to his daughter, had given a large amount of property to his wife. Witnesses testified that Vanderbilt had received communications through Mrs. Pepper for a spirit she called "Bright Eyes" and which was supposed to bring messages from Vanderbilt's former wife. As a result of the finding of the jury declaring Vanderbilt to be incompetent, Mrs. Pepper-Vanderbilt was indicted on a charge of larceny of his property, and action was begun to annul her marriage to Vanderbilt.

DEAD MAN MAY BE AN ABSCONDER

STOCKTON, Cal., July 2.—C. E. Smith, of Santa Rosa, has been prompted by reading reports of the discovery of the body of an unknown man in a deserted well near Tracy, to notify Sheriff Sibley of the strange disappearance of a Colorado man. The officials infer from the following letter that Smith wishes to intimate that the dead man may be the same person who absconded with \$6,000.

The letter follows:

"On finding this clip in the paper recalled a disappearance of a father-in-law of Harry Cannon, of Grand Junction, Colo. They came to Santa Rosa to buy a home and this man disappeared in San Francisco about May 7 with \$6,000 of Mr. Cannon's money. They were to meet at Stockton, but he never could be heard of. They thought he had been robbed and killed. They went back to Grand Junction the last of May. I heard from them once since, and he had not yet been found. The man that disappeared lived somewhere near Camp Vacation."

The authorities believe that they may be able to throw some light upon the case very soon.
